

LONGWOOD  
UNIVERSITY

# Modeling and Simulation Workshop

Professional development for  
Grades 8—12 Science Teachers.

**July 8-12, 2013**

**8:30 AM - 4:00 PM**

**AT NASA LANGLEY RESEARCH  
CENTER IN HAMPTON, VA**

**There is no cost for teachers  
to attend**

Want to learn more about how to use modeling and simulation in your science classroom? This is the workshop for you! Spend a week interacting with STEM experts at NASA and learn how to integrate modeling and simulations into your science classroom! Travel costs to Hampton and a single room at Hampton Inn near NASA are provided. (Some local travel may be required and is not supported by grant funding.) In addition to the knowledge you gain from this workshop, you will also:

- Receive a \$500 stipend once you develop a lesson in alignment with VA Science SOL and NGSS; and
- Earn 45 recertification points.

Only 16 teachers will be accepted. **Once you register, you are confirming your commitment to attend.**

NASA Langley Research Center is a secure facility. Access is limited to U.S. citizens with a valid government issued ID (driver's license).
