

## Inspiring Teachers for Engaged Learners (InTEL)

### ENGAGE YOUR STUDENTS

*Practice Problem-Based Learning. Tinker and Learn with littleBits. Become Part of a Larger Community of Teachers that Want to Make a Change in their Students' Learning Experiences. Change Your Mindset. Learn New Things. Expand Your Students' Learning Community. Share Experiences and Strategies.*

InTEL will begin in summer 2017 and continue through the 2017-2018 school year. There are three main components to InTEL PD:

- 1) Problem-based Learning (PBL)
  - Strategies for using PBL in your classroom
  - PBL assessment strategies
- 2) Technology Integration
  - Integrate littleBits (<http://littlebits.cc/education>) into your instruction
  - Technology tools for classroom feedback, assessment, etc.
- 3) Global Collaboration
  - Learn how to connect your students with other classrooms using technology

#### Your Responsibilities:

- **Attend 5 Days Face-to-Face Professional Development at Longwood University**
  - June 6 & 7 and July 11 – 13, 2017
  - 8:30 a.m. – 3:30 p.m. each day
  - Mileage paid; lodging included (if more than 50 miles away)
  - Lunch provided each day
- **Attend Five Webinars in Fall 2017**
  - Book study related to Global Collaboration
- **Attend Spring Summit (1 Day - TBA)**
  - Share year-long learning and strategies you incorporated into your classroom
- **Integrate strategies and technology into your classroom**
- **Complete assignments throughout the year**

In addition to learning new strategies to engage your students through PBL, technology integration, and Global Collaboration, you will also receive:

- Support from ITTIP staff through classroom visits and consultations throughout the year
- 85 Recertification Points
- A littleBits kit to keep
- Access to littleBits loaner kits for classroom implementation
- \$1,000 stipend (paid throughout the year as activities are completed)
